

VOLTT Virtual On-line Teacher Training

Webinar and Collaboration Series www.oelc.ca/voltt

A series of Webinars and Subject- / Panel-Specific Collaborations covering a variety of topics related to teaching in eLearning and Remote Learning programs in Ontario

Open to ALL educators from Member Boards of the OeLC

Webinar Presentations / Workshops / Demos

2022 February 16, 17, 18 (Wednesday – Friday) 8:00 AM, 3:30 PM, 7:00 PM

These sessions involve 30-minute presentations on effective online learning tools, strategies, and best practices delivered by experienced online educators, followed by an optional Q and A (maximum 15 minutes).

Panel- and Subject-Specific Collaborations

2022 February 22, 23 (Tuesday, Wednesday) 8:00 AM, 3:30 PM

These sessions involve 45-minute (maximum) moderated discussions during which participants will have the opportunity to share online learning and teaching challenges, successes, innovative approaches, best practices, etc., and dialogue with fellow educators from their specific subject area (9-12) or panel (K-8).

REGISTRATION

- ➡ Step 1: Use the PROGRAM to choose those sessions you are interested in: <http://bit.ly/volttprogram2>
- ➡ Step 2: Use the SESSION PLANNER to build your schedule: <http://bit.ly/volttplanner2>
- ➡ Step 3: Complete the REGISTRATION FORM: <http://bit.ly/volttregistration>

CALL FOR WEBINAR PRESENTERS

- ➡ Complete <http://bit.ly/volttproposal>

We ask that each webinar be delivered twice. You can choose, however, the dates and times during which you are available.

CALL FOR COLLABORATION MODERATORS (Panel- and Subject-Specific)

- ➡ See <https://bit.ly/volttmoderators>

Prompts and scripts are provided so there is no preparation required... Simply email coordinator@oelc.ca to sign up for an available session to moderate.

Your contributions are GREATLY appreciated by your colleagues from throughout your Consortium... Thank you!
