

Moving Waitlisted Students to Another Semester

To move a waitlisted student to another semester, please:

Go to **Registration – Verify, Remove, Cancel, and Move**. Search by **Name** or **OEN** or use the filters to locate the appropriate student.

Click the **Action**  button next to the student and select **Move**.

Read the warnings that appear, then click the **Select Semester** pull down to see the other semester(s) during which offerings of the same course are available to the student. Make your selection, then click **Confirm**.
